ARTICLE 1 – NAME OF THE COC/COC BOARD

A. NAME OF THE CONTINUUM OF CARE (COC)

The name of the CoC is officially the Vallejo/Solano Continuum of Care; however, it shall be known as the Housing First Solano Continuum of Care, herein referred to as “HFS” or “the CoC.”

B. NAME OF THE COC BOARD

The name of the CoC Board shall be the Housing First Solano CoC Board, herein referred to as the “HFS Board” or “the Board.”

ARTICLE 2 – PURPOSE OF THE COC AND THE COC BOARD

The HFS CoC is a regional planning body of representative stakeholders in Solano County that coordinates the community’s policies, strategies and activities toward preventing and ending homelessness. Its work includes gathering and analyzing information in order to determine the local needs of people experiencing homelessness, implementing strategic responses, educating the community on homeless issues, providing advice and input on the operations of homeless services, and measuring CoC performance.

HFS seeks to develop a continuum of services with the ultimate goal of preventing and ending homelessness in Solano County. Efforts are aimed at permanent solutions and the range of services are designed to meet the unique and complex needs of individuals and families who are at risk of or are currently experiencing homelessness. HFS also works collaboratively with the local jurisdictions and other stakeholders to help lift people out of poverty and provide the services needed to stably house them.

HFS seeks to address poverty and homelessness through a coordinated community-based process of identifying needs and building up a system of housing and services to address those needs. HFS seeks to move beyond the evaluation and prioritization of specific projects to a system-wide evaluation of the community’s response to homelessness.

ARTICLE 3 – GEOGRAPHIC REPRESENTATION

HFS geographic area covers the seven cities located in Solano County: Benicia, Dixon, Fairfield, Rio Vista, Suisun City, Vacaville, Vallejo, the unincorporated areas and Solano County – and includes the housing and service plans for homeless persons and persons experiencing a housing crisis for each area. The membership is comprised of representatives of relevant organizations within the given geographic areas.

It is the role of HFS to provide oversight and take direct action on the issues outlined below. Where applicable, HFS will delegate its authority to carry out the following activities to the relevant body. The responsibilities of HFS, the HFS Board, the Collaborative Applicant (defined in Article 4, Section E) the HMIS Lead Agency (defined in Article 4, Section D), and the staff are delineated in APPENDIX A in the [Delegation of Authorities Chart](#). Regardless of delegation, HFS retains the ultimate responsibility to ensure its responsibilities are carried out correctly and will retain final oversight on all CoC-related activity.

A. OPERATING A COC

- i. Develop, follow, and update annually this governance charter, which will include all procedures and policies needed to comply with the U.S. Department of Housing and Urban Development (HUD) requirements and with the Homeless Management Information System (HMIS) requirements, including a code of conduct/conflict of interest and recusal process for the HFS Board, its chair(s), and any person acting on behalf of the HFS Board.
 - a) The Governance Committee will review annually and will make recommendations for changes or updates to the CoC Board for their final approval. In the interim, if relevant regulatory or policy updates require consideration, the Governance Committee will meet to review and make those edits and submit the revised Charter to the CoC Board.
- ii. HFS shall send an invitation at least annually to the public soliciting invitations for new members. This should include: (i) ensured effective communication with individuals with disabilities, including the availability of accessible electronic formats, (ii) outreach to ensure persons experiencing homelessness or formerly homeless persons are encouraged to join the CoC, and (iii) invitations to organizations serving culturally specific communities experiencing homelessness in the geographic area to address equity (e.g., Black, Latino, Indigenous, other People of Color, persons with disabilities)).

- iv. Funding sources other than CoC and ESG also mandate recipient participation in the coordinated entry system. All projects mandated to participate in coordinated entry by their funding source are hereby referred to as “mandated projects.” In consultation with recipients of ESG funds within the CoC and all mandated projects, the CoC implements the written standards for providing CoC assistance through a coordinated assessment and entry process. At a minimum, the standards must include:

- a) Policies and procedures for evaluating individuals' and families' eligibility for assistance under the CoC Program
 - b) Policies and procedures for determining and prioritizing which eligible individuals and families will receive transitional housing assistance
 - c) Policies and procedures for determining and prioritizing which eligible individuals and families will receive rapid re-housing assistance
 - d) Standards for determining what percentage or amount of rent each program participant must pay while receiving rapid re-housing assistance

 - c) The Performance and Evaluation Committee shall develop the targets, in consultation with the CoC Board with final approval by the CoC. This includes reviewing the policies and scoring tools for Review and Rank as part of the CoC Competition.
 - d) The Collaborative Applicant will be responsible for monitoring ESG project performance and will do so in coordination with the projects that are awarded those funds.
 1. **Quarterly.** The Collaborative Applicant will review program and community-level performance using performance benchmarks it shall develop. The Collaborative Applicant also will identify any poor performers, taking into account reduced outcomes due to high-needs populations. Poor performers may be selected for more intensive, on-site monitoring. This may include site visits, client feedback, and/or grant records. Ongoing poor performers may be selected for targeted technical assistance or other response. The Collaborative Applicant shall consider the extent to which technical assistance and training may be needed on these matters.
 2. **Annually.** In addition to the quarterly reports, the Collaborative Applicant may include a review of the HUD Consolidated Annual Performance and Evaluation Report (CAPER) as well as other local sources to ensure compliance with HUD requirements. The Collaborative Applicant will coordinate with any ESG recipients to share any agency capacity policies.
- vi. Report the outcomes of ESG and CoC projects to HUD annually through the CoC application process.

B. COC PLANNING

- i. Coordinate the implementation of a housing and service system within the CoC's geographic area that meets the needs of homeless individuals and families. At a minimum, such a system encompasses the following:
 - a) Outreach, engagement, and assessment
 - b) Shelter, housing, and supportive services
 - c) Prevention strategies
- ii. Plan for and conduct a point-in-time count of homeless persons within the CoC geographic area that meets HUD requirements, including a housing inventory of shelters, transitional housing, and permanent housing reserved for homeless persons, in general, and chronically homeless persons and veterans, specifically, as HUD requires
- iii. Conduct an annual gaps analysis of the needs of homeless people, as compared to available housing and services within the CoC geographic area
- iv. Provide information required to complete the Consolidated Plan(s) within the CoC geographic area.

C. POLICIES AND PROCEDURES

HFS shall establish relevant policies and procedures to document the use of Planning Funds for eligible costs to ensure compliance with the planning grant requirements.

D. DESIGNATING AND OPERATING AN HMIS

- i. HFS shall designate a single HMIS for the CoC's geography, and an eligible applicant to serve as the CoC's HMIS Lead Agency.
- ii. Process for designating an HMIS Lead Agency:
 - a) The HMIS Lead Agency will be designated using a Request For Proposals (RFP) process conducted by a Subcommittee of non-conflicted CoC members
 - b) Applicants will be given the opportunity to present themselves to the HFS membership at a general meeting
 - c) The final choice is made by the HFS Board

- d) The agency chosen will be selected for up to 3 years with the option for renewal based on a performance report and survey of the HFS general membership.

- iii. HFS designates the Community Action Partnership Solano Joint Powers Authority (“CAP Solano JPA”) as the Collaborative Applicant to collect and combine the required application information from all applicants for HUD CoC funding. If CAP Solano JPA is unable or unwilling to serve as the Collaborative Applicant, then HFS shall retain all of its responsibilities under the law and HUD regulations. HFS may choose to designate an alternative Collaborative Applicant for HUD CoC funding by formal CoC Board majority vote.
- iv. HFS also designates the CAP Solano JPA as the administrative entity to apply for, collect, receive, and distribute all grant funding that would normally be channeled through the CoC, including but not limited to, California Emergency Solutions and Housing (CESH), Homeless Emergency Aid Program (HEAP), Homeless Housing Assistance and Prevention (HHAP), ESG, Community Development Block Grants (CDBG), Community Services Block Grants (CSBG) and any other relevant state or federal funding.
- v. HFS may choose to designate an alternative administrative entity for a specific grant program for a specific grant year by formal CoC Board majority vote. However, if no such vote is taken, then the administrative entity for any homeless grant program that would normally be administered by the CoC is designated in advance as the CAP

Solano JPA. No specific vote is needed to authorize the CAP Solano JPA to serve as an administrative entity for any grant of funding for homeless housing and/or services; all such grants in Solano County are presumed to be delegated to CAP Solano JPA unless and until HFS explicitly specifies otherwise.

F. PREPARING LETTERS OF SUPPORT

What is the Purpose of this Policy?

Conflicts of interest can raise governance, tax, and regulatory issues for a CoC. They also raise concerns in the minds of the public and members of the media, potentially undermining the organization's reputation and good standing.

Generally speaking, a conflict of interest is a situation in which a CoC Board Member or one of his or her family members has a personal or financial interest that compromises or could compromise the Board Member's independence of judgment in exercising his or her responsibilities to the CoC.

CoC Board Members are expected to minimize conflicts of interest; disclose ethical, legal, financial, and other conflicts; and remove themselves from decision-making if they would otherwise be called on to act on a conflict involving themselves, their family members or entities with which they or their family members are closely associated.

Under this policy, Board Members are required to disclose actual or potential conflicts of interest, as well as certain relationships and transactions. Depending on the circumstances, a relationship and/or transaction disclosed under this policy may not be a conflict of interest, may be a conflict that is permitted provided that certain procedures are followed, or may be a conflict that is prohibited altogether.

Who is Covered by this Policy?

This policy covers the members of the Housing First Solano CoC.

Who is Responsible for Implementing this Policy?

The CoC has primary responsibility for implementing this policy. The policy will be disseminated to Board Members upon joining the Board and annually thereafter.

The Board may delegate the responsibility for disseminating the policy and collecting disclosure statements to a Board committee or the Board Chair, who shall oversee the process and may be assisted by CoC staff.

The Board shall apply a reasonableness standard in determining whether a conflict exists.

If the CoC Board has reason to believe that a Board Member has failed to disclose a Conflict of Interest or otherwise violated this policy, it shall inform the Board Member of the basis for this belief and afford him or her an opportunity to explain the alleged failure or violation.

If, after hearing the response of the Conflicted party and making such further investigation as may be warranted in the circumstances, the Board determines that the Board Member has in fact failed to disclose an actual or possible Conflict of Interest or otherwise violated this policy, it shall take appropriate disciplinary and corrective action, which may include removal from the Board.

- ii. **Voting and Quorum:** The Board shall act on actual or potential Conflicts of Interest situations by affirmative vote of a majority of Independent Board Members present at the meeting at which a quorum has been established. In the event that less than three Board Members are Independent and are available to vote on a resolution, the issue must be assigned to a Committee of Independent community members for a vote. The CoC staff will be

responsible for assembling the Independent Committee, which must include at least four (4) members. The Committee's decision is final.

- iii. No Conflict of Interest: If the Board determines that no Conflict of Interest exists, it shall inform any Board Members involved in the situation of its determination and take any other actions it deems prudent.
- iv. Conflict of Interest Not Prohibited:
 - i. Generally. If the Board concludes that a Conflict of Interest exists and it is not Prohibited by this policy, the Board shall inform any Board Members involved in the situation of its determination and take any other actions it deems prudent to address the Conflict of Interest, including excluding Conflicted Board Members from deliberations and decision making as described in Section v. below.
 - ii. Proposed Transaction. Where a Conflict of Interest is not prohibited and involves a proposed Transaction between CoC and a Board Member or Related Party, the Board shall gather and review appropriate data, including appropriate data as to comparability, to determine whether the terms of the Transaction are fair and reasonable to and in the best interests of CoC.
- v. Issue-Specific Conflict of Interest: A Conflicted Board Member shall not participate in any way in, or be present during, the deliberations and decision making with respect to an actual or potential Conflict of Interest in which s/he is involved. In addition, when the Board is considering a proposed Transaction between the CoC and a Board Member or a Related Party, no Conflicted Board Member with respect to any proposed or existing Transaction with the CoC may participate in any way in, or be present during, the deliberations and decision making.

Example: The Board is considering whether to approve a grant to another nonprofit. Board Member A serves as a board member of that nonprofit. Board Member A is a Conflicted Board Member and must disclose that an Issue-Specific Conflict of Interest exists and recuse him-or herself from deliberations and decision making on the proposed grant. If the Conflicted Board Member does not voluntarily recuse him-or herself, the Board must exclude him or her from deliberations and decision making on the grant.

- vi. Prohibited Conflict of Interest: If the Board determines that a potential Board Member has a Prohibited Conflict of Interest, the Board shall reject the nomination. If the Board determines that a current Board Member has engaged in an activity that creates a Prohibited Conflict of Interest, or that a proposed Transaction would result in a Prohibited Conflict of Interest, the Board shall decide either:
 - i. to decline to enter into the proposed Transaction, if applicable; and/or
 - ii. to request the resignation of the Conflicted Board Member(s) and, if the Conflicted Board Member(s) do(es) not resign, follow appropriate legal procedures to remove the Conflicted Board Member(s).

- vii. Delegation to Committee: The Board may establish or designate a committee of the Board to review any conflicts of interest questions raised by this policy, to determine whether a particular situation involves a Conflict of Interest, and to make recommendations to the Board about how to address Conflicts of Interest.
- f. **How Should the Board's Decisions about Conflicts of Interest Be Documented?**
- i. The Board or committee shall document its decisions about a Conflict of Interest in its meeting minutes (and attachments to the minutes, if applicable). The minutes shall include: material facts regarding the Conflict of Interest; the basis for the Board's decision; the names of Board Members present and of those who voted on the matter; and any actions taken with respect to Conflicted Board Members with respect to the matter (for example, whether they were excluded from discussion and voting on the matter). The minutes must be prepared before the latter of the next Board or committee meeting or 60 days after the final action is taken on the matter. Once prepared, the minutes must be reviewed and approved by the Board or committee (whichever is applicable) within a reasonable time.

Annual or Other Disclosure (Circle One)

Reason for Policy. Conflicts of Interest may raise governance, tax and regulatory issues for the Housing First Solano CoC. They also raise concerns in the mind of the public and members of the media, potentially undermining a CoC reputation and good standing. For these reasons, CoC Board Members should avoid Conflicts of Interest, disclose ethical, legal, financial and other such conflicts, and remove themselves from deliberations and decision-making on matters in which they have a Conflict of Interest.

Reason for this Statement. The CoC Board is committed to the highest ethical standards in how a CoC conducts its business and operations. Completing this statement helps the Board and management identify and evaluate situations and relationships that could be problematic for a CoC, including ones that could jeopardize its tax-exempt status or ability to obtain grants or other funding.

Completing this Statement. Each Board Member is required to complete and sign this statement annually and at such times as they become aware of actual or potential Conflicts of Interest. This statement should take no more than 10 to 15 minutes for most Board Members to complete. It asks intentionally broad questions, with the hope of identifying all relevant actual or potential Conflicts of Interest.

Defined Terms Used in this Statement. Capitalized terms used in this statement are defined in the Conflict of Interest Policy for CoC Board Members.

Identifying a Conflict or Relationship Does Not Necessarily Mean There Is a Problem. In some instances, you may need to reveal a conflict or relationship when responding to a question.

This does not necessarily mean that you have done something improper or violated the Conflict of Interest Policy for CoC members. By identifying conflicts and relationships, you permit the CoC, the CoC and management to make an informed judgment, further permitting them to address issues through appropriate action or safeguards. Being forthright now is the best approach.

If You Have Questions about the Policy or this Statement. If you have questions about the Conflict of Interest Policy for Board Members or this Statement, ask the Board Chair or email Solano@homebaseccc.org.
